Expert Will Explain Features
of Sewage Disposal Plant

Next Monday, Feb. 19, there will be a meeting at the Carmel school at which the taxpayers of the Carmel Sanitary District may learn all of the details of the proposed new sewage disposal plant. Mr. Kennedy, the San Francisco engineer retained by the Board of this Sanitary District, will be present. The Board members will all be present. The Board has arranged this meeting partly to acquaint the taxpayers with such planning as has already been done, partly to receive the suggestions of the taxpayers. Above all, the Board wishes the people of the district fully informed BEFORE the fact, not AFTER it. To this end it is urged that all taxpayers attend the meeting so that they may act with understanding when the time comes to vote on the bond issue that will pay for the work.

The cost of the work will be assessed upon the whole Sanitary District, not on the property owners of Carmel alone. The commissioners want every last person in the district to know just as much about the project as they themselves do, and if any taxpayer wishes to make either suggestions or objections this is the time to make them and discuss them.

The Federal Public Works Administration has this project in Washington, and is prepared to stand 30 per cent of the cost. But with the rapid changes that are taking place in Federal affairs there is no guar-

anteeing that the Federal authorities will remain disposed indefinitely to aid this local project. It is highly advisable that a full vote of the taxpayers be cast at the balloting for the bond issue on March 12. The Public Works Authority cannot be expected to be overly solicitous for the welfare of people who show slight interest in their own.

This district has long passed the pioneer stage of cesspools. No community can afford to remain long in that stage. An adequate and sanitary sewage system is not an improvement that can be made when the whim dictates. The necessity confronts Carmel now. The disposal plant will be built. It should have been built long ago. The present plant has been condemned by the State Sanitary authorities. It is either that Carmel will act of its own accord or the project will taken out of our hands, and, doubtless, be done for us in a manner and at an expense that we may not like.

There is still another reason why there should be full attendance at the forthcoming meeting. The commissioners of this Sanitary District are giving their services to the people without any remuneration other than personal satisfaction of performing a civic duty. They are entitled at least to the encouragement that comes from a display of interest on the part of the people they are serving.

FLORENCE NASON LEIDIG
GIVES FINE PROGRAM

Due to so many other attractions held recently, only a small audience heard Florence Nason Leidig who gave a recital at Pine Inn last Friday night under the auspices of the Old Mission Guild. The fortunate ones who attended, however, enjoyed a most excellent program. It is hoped that Mrs. Leidig may return at a more auspicious time.

PEACE OFFICERS IN
MONTHLY MEETING

The peace officers of the Central Coast Counties of California enjoyed a meeting at Castroville Tuesday evening, having a splendid dinner at the Franco hotel.

Captain Johnson of the Berkeley police force spoke to the officers on finger printing.

OLD MISSION GUILD
MET SUNDAY NIGHT

The Old Mission Guild held an interesting meeting Sunday night at which it was decided to hold some kind of an entertainment on the evening of March 17th, St. Patrick's Day. Announcements of the nature of the program will be made later. Adam Kraemer, president, had charge of the meeting.

PLAY READING NEXT
MONDAY AT PINE INN

Don't forget the play reading next Monday evening at Pine Inn. The play promises to be one well worth hearing and among the readers you will hear: Wendy Price, Miss Thompson, Mr. and Mrs. Arthur Storey, Hal Garrett, Willard Wheeler and Herbert Heron.

THE MAN FOR THE AGES

What does the life, character and services of Abraham Lincoln mean to us? We, who enjoy so richly the blessings of the liberties and union he so nobly defended and preserved to posterity. It is fitting that we recall these to our minds as we mark the advent of the birthday anniversary of Abraham Lincoln on February 12.

His character and career is an undying inspiration to American youth of all times. His life and deeds are linked with one of the most eventful periods in American history. Lincoln was a statesman as well as a prophet. No public man of his time saw as far into the future as did Lincoln.

As long as the world exists, down through the ages it will reverberate Abraham Lincoln's forceful words of consolation and encouragement to all who earn a livelihood by the sweat of the brow. The world may never see his like again, but his memory will never perish.

Let us pause a few moments on February 12, as we recall to mind the life and tragic death of the great emancipator. Let us remember his life and memory is an undying inspiration to the highest and noblest estate this great Republic and its people can ever hope to achieve.

PROSPERITY AHEAD
FOR CARMEL

"Prosperity ahead for Carmel" is an interesting and gratifying fact borne out by any number of infallible indications most notable of which are reports from rental agencies as to summer reservations for cottages and residences. And the demand is from the class of people Carmel has always appealed to—those who have more than ordinary means and want a complete change and rest from the hurried struggle of commercial centers. Reservations this year are more elaborate too than for several seasons as inquiries are pouring in for places large enough for families with servants which means that the people of depleted incomes for the past two years are enjoying a return of prosperity and able to make their annual pilgrimage to Carmel.

The throngs that spent the Lincoln holiday here are fair indications of a return to normal conditions; tourist agencies all over the state report a definite trend and big pick-up in travel to the Pacific and with the opening of the Carmel-San Simeon highway this year Carmel is coming back to its own place in the sun.

EUROPE FIGHTING

Europe is again in bloody warfare. Always a seething volcano of internal strife, petty bickering and diplomatic jealousy, one of those ghastly outbursts of an over-oppressed people is starting in revolution and counter revolution that may embroil the world in another orgy of wholesale murder. Japan and Russia prepare feverishly for war while they prattle about peace; France and Austria are torn with revolution and internal strife and England gives Hitler a warning that is ominous.

But let's hope that the United States will have judgment enough this

time to stay out of European messes and keep our dollars here at home. We have troubles; financial scandals in governmental activities and governmental difficulties that are making radical change in our form of government but so far our revolution has been bloodless and doubtless will continue to be so. We are still, in spite of restrictions, a free thinking, free acting and free speaking people. President Roosevelt and his advisors are making every effort to maintain the sacred traditions of our country and appeals by the people at large are acknowledged and carried out in so far as possible, or understood, and for that we have much to be thankful.

MAINTAIN SUNSET SCHOOL

It is evident that there will be more than one candidate at the coming election for a trustee for the school board. It is a matter that should have the closest attention of every person interested in Carmel for no greater calamity could happen that to have our school degenerate into one of those little red school house affairs harking back to horse and buggy days. Sunset school is an institution that brings and holds people here as no other attraction can do. There are innumerable families living here and paying taxes who have the means to live wherever they choose, solely because of the excellence of Sunset school.

The gloomy days of the depression are passing and Carmel is on the threshold of a great expansion. Sunset school must have a board of trustees at its head who have the foresight, the ability and the courage to maintain its nationally recognized standard of efficiency.

The board must be free of silly, impractical, petty jealousies and penny-wise and pound-foolish economies.

Study the candidates carefully and vote for the good of the children.

ABALONE LEAGUE TO
BEGIN WARMING UP

Some of the players met last Sunday to warm up and get ready for the Abalone Season (Capital A). And are they looking forward to a good time? When you see a group together now, it is safe to guess what they are talking about and you only have to step up to hear the word, "Bats," "base," "left field," etc.

Carmel Sun will try to keep you posted on what's what when the real playing starts.

MERCHANTS TO MEET AND
DISCUSS LICENSE RATES

Friday night, this week, the merchants of Carmel are asked to meet with the city council and hear the proposed new rates for city licenses.

The council has been meeting as a committee of the whole to try to make an equitable rating and Judge Wood has spent much time preparing what has seemed to them a fair plan.

Friday night will be the time to object and present your reasons for so doing, if you have objections.

Miss Anne Guidici left Sunday for Calaveras county where she has secured a position teaching in the night schools. She will have as students a number of CCC boys in camp there.

PLANS UNDER WAY
FOR SERRA PAGEANT

Enthusiasm is high and promises to keep growing for the Serra Pageant to be produced here August 24th to 28th honoring Father Junipero Serra on the 150th anniversary of his death.

George Marlon, grand old man of the theatre has worked out a wonderful pageant dealing with Father Serra's life which will be presented on the grounds near the church.

More details will appear in the next issue of Carmel Sun.

PHYSICAL EDUCATION
CLASS AT SUNSET

Everyone needing exercise will have a chance to get it now under the best conditions with the supervision of an experienced director. Classes are now being organized for physical education at Sunset school to be held every Tuesday evening and one other evening also, but what evening later in the week the class will be held is yet to be determined.

The classes under the direction of Ann D. Uzzell, and the activities will consist of exercises, relays, basketball and volleyball and some other sports in all probability if enough interest is taken in the movement. Anyone desiring further particulars is requested to call Ann Uzzell at 324-J.

DALTON BOYS WILL FIGHT
IN STOCKTON MARCH 7

Jack Dalton, father and manager of Bob and Frank Dalton, two local boys who are making a name for themselves in the fight ring, announces that the boys are matched in a double main event with Earl and Eddie Brooks of San Jose, in a big event at Stockton the 7th of March. The career of the Dalton boys is being followed by local fight fans with a great deal of interest many predicting they will be headliners before long.

NOEL SULLIVAN
TO SING HERE

On Saturday evening, February 24, Noel Sullivan, basso, will give a recital of songs of Beethoven and Brahms in the Denny-Watrous Gallery. He will be accompanied at the piano by that most excellent of all accompanists, Elizabeth Alexander.

MRS. HERRON'S MOTHER
IS IN FIGHTING ZONE

Mrs. Jack Herron of the Viennese shop is anxiously awaiting word from her mother who is living in Vienna. She takes hope, from the fact that her mother is living in the specially guarded section of the city.

Mrs. Cator Succeeds Wm.
Overstreet as Postmaster

The announcement came Saturday that Mrs. Irene Campbell Cator had been appointed postmaster of the Carmel postoffice. The news came as no surprise since it was known that Mrs. Cator was the choice of the Democratic Central committee.

No choice could have been made of a new postmaster which would have suited Carmel more. Mrs. Cator has been a resident of this city for the past fifteen years and has been prominent in public affairs. Being an excellent musician, she has been a great asset to the dramatic and musical circles also.

Mrs. Cator, widow of the late Thomas Vincent Cator, a famous musician and composer, has three children, Theodore, studying for a career in music; Miss Barrian, musician and aviatrix and Bruce, in school.

Mrs. Cator is delighted with her appointment and has expressed a desire to be a good postmaster, rendering service to her patrons. She will take up her duties March 1.

W. L. Overstreet, the retiring postmaster, has served Carmel faithfully for the past four years and eight months. Under his reign the business has in-

Mrs. Irene Cator

creased and the patrons have been cared for efficiently. For 23 years Mr. Overstreet has made his home here, coming from Berkeley in 1910. In 1915 he established the Pine Cone which he edited until he sold it in 1927. After a brief rest, he will resume an active business and political career, continuing to make his home for the present with his daughter, Mrs. De Witt Appleton.

CANDIDATES ENTER
RACE FOR TRUSTEE

With this issue of Carmel Sun two candidates are announcing their intention to run for the position as trustee for Sunset school.

Mrs. Helen Levinson, for seven years an interested worker in all school activities for the benefit of the children, asks your support. It is the unanimous decision that she will make a splendid trustee; that she will use her efforts to maintain the present high standards of Sunset while bearing in mind the burdens of the taxpayer. The voters can trust Mrs. Levinson to use her efforts to keep Sunset the best grade school in the state. They can count on her to use steady judgment and not to be swayed by criticisms or suggestions of self-centered people.

Mrs. Everett Smith is the opposing candidate. Mrs. Smith is a valued member of the P.T.A., and a prominent worker in the Woman's Club. She is making no statement through the Sun columns at this time.

MRS. LEVINSON MAKES A
STATEMENT

To the Editor,
Carmel Sun:
Dear Sir:

I have been vitally interested in all matters concerning Sunset school for the past seven years and it is with full recognition of the responsibilities of a board member that I am announcing my candidacy for Sunset School District Trustee in the coming March election.

My first interest is the continued welfare of the children of this community. I have three sons at Sunset, and in watching their progress through various grades, I have become thoroughly conversant with school activities. In the event of my election, I would use whatever experience I have gained through this close association.

In these difficult times and especially as a property owner and taxpayer in Carmel, I thoroughly realize the necessity of limiting expenditure as far as is consistent with the maintenance of high educational standards and I believe that this can be done in a spirit of friendly co-operation. I shall

CARMEL DOLLARS ROLL
OUT OF CIRCULATION

So far 848 of the 998 Carmel Dollars have been redeemed and the balance will soon be in the treasury.

Bernard Rowntree who has been working hard soliciting money for their retirement reports that the citizens have more than donated the amount asked for but that the merchants are still short on their quota. He estimates that there are at least 60 to be retired and announces that any holders of paper money may leave it at the bank where it will be redeemed as the merchants raise the rest of their amount.

INTEREST GROWING IN
ANNUAL KITE FLYING

Interest is growing daily in Carmel's most unique yearly event, the kite flying contest annually conducted by Rev. Willis G. White. There are an unusually large number of entrants and it is expected that there will be some "high fliers" after the honors this year.

It is desired that all entrants be warned again that they will be disqualified from entering the contest if their kite is flown before it has been passed upon by the different groups of judges.

The procession to Hatton Fields will leave from Sunset promptly at 1:30 Saturday afternoon, February 27.

The Pinkhams of Los Gatos were in Carmel Wednesday. They were fortunate in finding their car undamaged in Santa Cruz Monday after it had been stolen in Los Gatos Sunday night.

bear this fact in mind always, and strive sincerely toward its accomplishment.

HELEN LEVINSON.

NOTICE TO VOTERS

I wish to announce my candidacy for member of the board of trustees of Sunset School.

MRS. EVERETT SMITH.

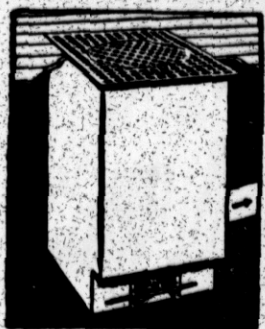

Natural Gas Naturally THE BETTER FUEL

CALIFORNIA climate presents a heating problem that demands easily controlled heat.

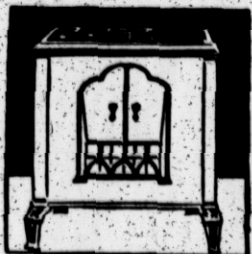

There are no long severe winters. Heat is needed for short periods and it must come quickly. To build up a big fire means wasted fuel. For quick-acting heat that warms floors and walls and circulates into every room corner, climate-wise Californians, rely on Natural Gas—naturally the better fuel.

Gas is piped directly to the furnace or heater and there is no bother to order or handle it. Natural Gas Heating equipment, too, was developed for California homes. Each of the newest types of equipment have known heat-output ratings ranging from the smaller space heaters to the full automatic warm-air furnaces. Investigate and see. Get the facts.

Floor Furnace

Solves the heating problem for homes without a basement. Highly praised by thousands. Saves floor space and is easy and most economical to install and operate.

Circulating Heater

Attractive, low in first cost and highly efficient. It heats two to four rooms. Made in many sizes and styles. Extremely economical to operate.

Lincoln Program at Carmelo School

Commemorating Lincoln's birthday, the students of the Carmelo school put on a short program Monday afternoon. The program included poems and stories about Lincoln and several patriotic songs.

One of the interesting numbers on the program was an original poem, "What Is It Today," written by Lavinia Oswald, seventh grade pupil.

Recreation Council Meets

The county-wide recreation council held a meeting in Prunedale last Thursday evening.

There was a discussion of community recreation and singing, stunts, folk dancing and games. Community recreation is one of the important projects of the County Farm Bureau.

Those attending from the valley were: Mr. and Mrs. B. H. Schulte, Mr. and Mrs. Luis Wolter, Mrs. J. H. Stewart, Jean Stewart and Bernard Schulte.

Tavern Being Redecorated

The Carmel Valley Tavern is now being redecorated. Mr. Justice is busy painting and re-touching the interior. The tavern is for rent or lease and when Mr. Justice finishes his work there it will be a very desirable place.

Thomas Jay Livesay of San Francisco spent the week-end with his uncle an aunt, Mr. and Mrs. T. C. Meadows. He formerly lived in the valley and attended school here before going to San Francisco. He is now soloist at Lido's cafe.

Mr. and Mrs. Bill Silva of Salinas are the proud parents of a daughter born February 2. This is their first child and she has been named Joyce Constance. Mrs. Silva is the former Velma Tomasini and is well known here.

Mrs. George Wadley, who was bitten in the arm several weeks ago by a dog, is now home from the hospital and is able to attend to her household tasks.

Joe Abluton has rented Rancho San Remo and he and his family are now living there. Abluton was formerly with Odello and Company, artichoke growers, in the lower end of the valley.

Miss Norma Reggiardo returned Sunday from a delightful three weeks visit with relatives in Santa Cruz.

Mr. and Mrs. J. W. Kitchen of Carmel are staying at their ranch in Cachagua at present. They are in Carmel every day, however, as he is engaged in the plumbing business there.

Mrs. J. C. Anthony, clothing project leader of the Carmelo Home Department, attended a project leaders meeting at the home of Miss Anne Olson in Salinas last week. Miss Ethelwyn, clothing specialist of the extension service, had charge of the meeting.

Mrs. Fred Machovec and Mrs. B. H. Schulte attended the county committee meeting of the home department last Saturday. The Mission home department entertained the group at luncheon at the home of Mrs. McAdams in Salinas.

Henry Krohn accompanied by his aunt, Mrs. H. B. Schulte, left Monday for Tracy where they are visiting relatives. They are expected home the latter part of the week. Before returning Mr. Krohn will spend a few days in Oakland visiting friends.

Mrs. Margaret Nicolay and her daughter, Gertrude, motored to San Francisco last Friday on a combined business and pleasure trip.

Mr. and Mrs. Russell Kendall and son, Johnny, spent the week-end with Mr. Kendall's parents in Santa Rosa.

School Notes

Assembly is scheduled for 10:30 Friday morning and at this meeting the new student body officers will take their seats. Dick Tevis, will take office as president; Dorris Crossman, vice president; Norris Thompson, secretary; Jack Pelton, business manager; Anna Marie Baer, faculty advisor. President Dick Tevis will outline the program for student body activities for the coming semester.

Roger Fulton will give a report of the gardening committee and outline this group's plan for completing the work of beautifying the ground for Sunset school.

Honorary letters will be awarded to players on the team winning honors in the recent basketball tournament. Markham Johnston, captain of the winning team will give a talk on "Sportsmanship and Tournament Play."

The following boys will receive letters: Markham Johnston, Pat Clayton, Jimmy Kelsey, Gerald Ray and Bobbie Halley.

Jack Pelton will make an announcement on the baseball tournament that will get under way very soon.

Work on the wall on Mission street back of the school is nearing completion and is a very beautiful improvement. A great many men received employment under the CWA project and the work has been well done and is entirely in keeping with the otherwise fine buildings of Sunset school.

Fire of an unknown origin damaged the home of Henry Ryan at 270 Lighthouse avenue in New Monterey the past week.

The Pacific Grove museum has recently been made more interesting by the addition of a collection of woven baskets from Arabians, Singalese and American Indians lent by Mr. and Mrs. James H. Parke. The museum's collection of sea algae is now completely mounted and many marvelous specimens are attracting a great deal of comment.

A burglar was frightened away from a residence on McClellan street in New Monterey recently but no trace of the maulrauder has been found. Awakened by the man forcing entrance through a window Mrs. Collet screamed and brought the neighbors who saw the man but were unable to apprehend him.

A small amount of cash was stolen from the register of Del Monte Dairy at New Monterey last week by thieves who are as yet at large.

The canneries, swamped by a series of large Sardine catches will probably close their operations this or next week for this season. The Carmel and Booth canneries shut down two weeks ago when they exhausted reduction permits. A third plant, the Bayside is closed under court order for exceeding its permit. The run of fish this year has been unusually heavy.

Two Monterey Chinese are being held in connection with injuries suffered by Marian Averille, 40, who was found unconscious on Ocean View avenue Tuesday night. Arrest of the Chinese followed an investigation by Monterey police and Sheriff Carl Abbott. Serious charges will be lodged if it is indicated.

Forty homes in Monte Regio tract were without water last week when the Monterey County Water company turned off the service for non-payment of their bill by Romie Jacks who owns the system in the tract distributing the water. The water was turned on shortly afterward on order of the sanitary inspector and police.

Things are booming at Moss Landing according to late reports. Extensive repairs are under way at the landing with a view of making a deepwater landing for Salinas and Watsonville. High School Notes

By William Millis

Two Carmel students, Jean Funchess, sophomore, and Robert Kennedy, junior, tied for first place on the first semester scholarship roll at Monterey High School. Four other Carmel students also made the honor roll. They were: Marie De-Amara, Charlotte Castro, Jean Hollingsworth and Charles Bauer.

A number of Carmel students were elected recently to student body offices. Those students, who took office at the beginning of the second semester were: K. Myamoto, "whip" for the legislature; Bernard Schulte, business manager for "El Susurro", the school annual; and Phil Walker, director of publicity. John Mather, senior, was re-elected to the position of director of boys' activities and athletics.

Carmel students on the merit honor roll for the first semester were: Jean Basham, senior, and John Sheridan, freshman.

At a recent meeting of the members of the Girls' Athletic Association chose two Carmel students, Jean Basham, senior, and Gery Thienes, junior, for the offices of president and secretary, respectively.

Four home room advisories chose Carmel students to represent them in the high school legislature for the second semester: Alice Meckenstock, Jean Leidig, Ray Hamilton and Bernard Schulte.

TELEPHONE COMPANY
HAS CIRCUIT 8,700
MILES LONG

Another spoke, the longest in the Bell System's wheel of transpacific radiotelephone circuits, was added February 1, when westward telephone service was opened to Java and Sumatra, the famed islands of the East Indies, lying between India and Australia.

The Java spoke is 8700 miles long and saves the wheel a "detour" of 5800 miles, in shortening the previous voice route, which covered 14,500 miles via San Francisco, New York, London and Amsterdam to Bandoeng, Java, according to R. P. Sexton, manager of The Pacific Telephone and Telegraph Co.

With San Francisco as its hub, the wheel of transpacific radiotelephone circuits also includes a spoke to Hawaii, set up in 1931, and a 7,000-mile Philippine Islands spoke, installed last March. The service across the Pacific is operated by Transpacific Communications Co., Ltd., a part of the Bell System.

The East Indies radiotelephone stations are operated by the Netherlands Indies Telephone Administration. Java, the most densely populated land in the world, and Sumatra are island possessions of The Netherlands.

The Manila and East Indies circuits are the world's two commercial radiotelephone channels regularly crossing the international date line. Thus words spoken here today in a telephone conversation to Java or the Philippines would reach there tomorrow, although the long trip would actually be made in one-fifth of a second.

AUTOMOBILE LICENSES
FELL OFF LAST YEAR

The Department of Motor vehicles at Sacramento reports that paid motor vehicle registration in California during 1933 totalled 2,036,918 licenses, a reduction of 4,906 from 1932. In 1932 there was a registration decrease of 65,451 from the previous year.

These totals do not include the 38,507 fee-exempt plates that are issued.

Carmel Pistol Club Is Second In National Pistol Contest

Charles Guth, one of the enthusiastic members of the Carmel Pistol club called attention to the fact that Carmel is making another record for something unusual. The Carmel Pistol club stands second in marksmanship in the United States Revolver Association. Ten matches are being held by seventy clubs all over the United States for a friendly determination as to which is the hardest shooting club and at the close

of the fourth match Carmel stands second.

First place is held by Helena, Montana with a total point score of 4314, while Carmel has a total of 4305. That makes it a hot contest with Carmel running almost bullet to bullet so to speak.

Carmel is particularly elated in the record since the local club is in the novice class due to the fact this is the first year's participation in the national association.

JORDAN PRESENTS PLAN GIVING LOCAL OPTION

Should a resolution offered by Secretary of State Jordan be made into law, cities of California not desiring to have liquor sold within their limits will have the benefit of local option.

Important in Mr. Jordan's recommendations are:

1—Have State-owned and operated liquor stores for hard liquor, selling retail or wholesale to customers holding state purchase permits, similar to the British Columbia system. This to be the State-wide system in the absence of any local vote to the contrary.

2—Local option to run hand in hand with the State control plan.

3—By a two-thirds vote a community or county could permit hard liquor sales by the drink.

4—By a two-thirds vote a community or county could entirely prohibit sales of hard liquor.

5—Sale of beer and wine would be unrestricted in licensed establishments, except in communities voting against all liquor traffic.

CHRISTIAN SCIENCE CHURCH

"Soul" will be the subject of the Lesson-Sermon Sunday, February 18, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be "Rejoice the soul of thy servant: for unto thee, O Lord, do I lift up my soul." Ps., 86:4 Other Bible citations will include: "For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness; Because that which may be known of God is manifest in them; for God hath shewed it unto them. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead." (Rom. 1:18-20 to;)

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to Scriptures," by Mary Baker Eddy: "The categories of metaphysics rest on one basis, the divine Mind. Metaphysics resolves things into thoughts, and exchanges the objects of sense for the ideas of Soul." (p. 269)

WILLIAM MILLIS MAKES TRIP AROUND WORLD

"Home looks best", is the feeling of William Millis, who returned to his home in Carmel recently from a four months' and a half trip around the world.

Millis, who sailed from San Francisco on September 29 on the President Hayes, said that he had fine weather all of the way. He said that he experienced a minimum of storms and typhoons during his trip and that while crossing the Atlantic, in January, they had only two days of bad weather.

Highlights of the trip, which was made on the Dollar Line, Millis said, were Peking, China; Agra, India; Cairo and Rome. Other places visited by Mr. Millis during his trip were Honolulu, Japan, Hong Kong, Manila, Malaya and Singapore, India and Marseilles. From New York Mr. Millis said he came to California by way of Havana and the Panama Canal.

Mr. and Mrs. J. W. Levensaler of Oakland, also spent part of their honeymoon in Carmel.

COMMUNITY CHURCH

Melvin Dorsett, Minister

Church school—9:45 to 10:45.

Service of Worship—11:00 to 12:00. We take our theme this time from the suggestion of Valentine's Day. Contrary to popular opinion, this day was never associated with the saints and martyrs of the early church. It is a "Lover's Festival," which apparently originated in early Rome and was very popular in England, centuries ago. Our interest is in the ever-present urges that make lovers lovers, and in the ideals that keep lovers loving.

Dorothea Bain will read one of the finest of the writings of Edgar Guest on home life. Miles Bain will sing "The Prayer Perfect." The minister will speak on "Marriage Today." J.O.Y. Club—6:30 to 8:00. Hi School Gang—7:00 to 8:00.

SATURDAY IS LAST DAY TO REGISTER

If you are interested in maintaining the high standard of Carmel's school, make it a point to register NOW. Saturday is absolutely the LAST day.

You may register at Stanford's Drug Store from an early till a late hour or at the Triangle Realty company.

If you did not vote at the last election, it will be necessary for you to register.

JUNIPERO ATHLETIC CLUB ORGANIZED

A formal meeting of the new club for high school boys and young men organized by Rev. Dorsett was held Thursday morning with the following trustees present: D. L. Stanford, J. L. Nye, Everett Smith and Frank Sheridan. These trustees elected another member to their board, Hal Bragg.

The purpose of the club is to provide wholesome recreation for older boys and young men. The age limit decided upon is for boys in high school and young men not over twenty-five. Admission will be by card and these will be available at Stanford's Drug Store Monday. The club will close at 10:00 p. m. on school nights to high school boys and at 11:00 p. m. on all nights for others. Admission is possible during the day by application to D. L. Stanford for the key to the club rooms. J. L. Nye is secretary-treasurer of the new club. The old Presbyterian church at Dolores and Eighth is to be used as a home for the club.

"NO SALOONS" IN PACIFIC GROVE ADS

"No Saloons" will be Pacific Grove's slogan to be used in their advertising campaign to secure desirable residents for their city according to reports. The advertisement will appear in "Mission Trails."

YOUNG FOLKS FORM PENINSULA PLAYERS

The Peninsula Players is the name of a new organization to which will belong the young people of the peninsula who are interested in the study of the drama and acting. They will be under the leadership of Mrs. Jean Henry Large.

For their first efforts they will employ three one-act plays and as they progress they will attempt things more difficult.

MONTEREY WILL ALSO CELEBRATE SERRA YEAR

Monterey will not be without her usual Serra celebration this year, it has been announced. Plans are afoot to celebrate the occasion June 1, 2 and 3.

SONS OF LEGIONAIRES TO BE IN ORGANIZATION

Sons of the men who saw service in the World War will be eligible to membership in the new organization being formed at the Monterey Post.

February 22, next Thursday night, will be "Carmel Night" at the Legion hall and everybody is planning for a general good time.

Mrs. Ross Bonham was hostess Friday evening to "La Estrella." She was assisted by Mrs. Douglas Bishop, Mrs. Frank C. Jacobs, Mrs. L. D. Lacey, Mrs. Sleet and Mrs. C. A. Watson.

CRASHES INTO POLE

Edward Chew drove his car headlong into a power pole in Monterey Friday night and did such damage to the pole that the lights were out for several hours. He was charged with driving while intoxicated but pleaded guilty to misdemeanor and was sentenced to pay a fine of \$100.

COMMUNITY GUILD MET WEDNESDAY AT CHURCH

Twenty-two members and friends were present Wednesday at the Community Church when the Women's guild met for luncheon, a social hour and sewing. They spent the afternoon in rolling bandages for the Leper society and in sewing shirts for the Red Cross. Mrs. Mabel Turner was in charge of the program.

The Guild is an organization that is doing much toward promoting social life, church finances and spiritual growth of the members. They meet the second Wednesday in each month for a basket luncheon at the church, a committee setting the tables and serving the coffee. A program committee provides entertainment. The group is a harmonious one and gets a great deal of pleasure and profit from the meetings.

MATRONS' GUILD HAS FINE TIME AT PARTY

Twenty-nine tables were in play at the card party given by the Matrons' Guild of the Community Church Monday night at the Manzanita Club.

Everyone present enjoys the evening very much and all are anxious for another such occasion.

The prizes were beautiful hand embroidered pillow cases.
